**WEST POINT RICE MILLS.**  
THIS Establishment is now ready to receive

orders for Rice to be cleaned, and the under-  
ground are prepared to receive, land, store, clean  
and ship Rice in any quantities. A new large and  
very powerful boiler has been expressly imported  
for the Mills, and large costly additions have been  
made to the Machinery which is now in full and  
perfect working order, the improvements which  
have been effected enabling the undersigned to  
guarantee the cleaning of Rice in a manner not to

be equalled either by any other Mills in the East, or by the tedious hand-labour of the Chinese. The Mills can clean and turn out six hundred piculs of Rice in the working day and if greater expeditions are required it can be attained. The Godowns are made of granite and are large, airy, and insurable against fire at low rates. The pier has sufficient water at all states of the tide to allow the largest ocean boats to lie alongside and load

Terms can be ascertained on application to the undersigned at the Mills where orders will be received. Persons unable to attend at the Mills will be waited on at their offices and all orders carefully and promptly executed.

DARRELL & Co.  
1873 - Hongkong, 11th July, 1893.

THIS Establishment having been fitted with several additions and improvements to the Machinery is now prepared to execute all orders for Sawing and Planing wood and to undertake contracts for supplying wood-work for buildings, furniture and carpenters and joiners work generally. The sawing, planing, morticing, moulding,

and turning machines are of the latest and most perfect kind, and all work entrusted to the undersigned will be guaranteed to be turned out with rapidity and in a style with which hand-labour cannot compete. Contracts undertaken either for the supply of the necessary wood or for the labour and workmanship.

Mr. A. D. Mitchell having had several years experience in establishments similar to those

Terms can be ascertained on application at  
 No Mills, West Point.
